WHY WE SUGGEST A WEDDING PLANNER

WHAT WE DO :

- Full 5-Hour Package with Staff
- Placement of tables & chairs
- Set up table (including linens)
- Table cloth, silverware rolled in linen napkin, water & champagne glasses
- Detail document of frequently asked questions
- List of recommended vendors
- Walkthrough 90 days prior to date
- Walkthrough 14 days prior to date

WHAT A WEDDING PLANNER DOES :

TO MAKE SURE WE EXECUTE OUR PACKAGE TO THE HIGHEST LEVEL POSSIBLE, THE INLET ONLY OFFERS WHAT IS LISTED TO THE LEFT.

We do not decorate, coordinate your vendors, work with your florists, etc. For this reason, we highly suggest having a wedding planner for your big day.

Guests are permitted to decorate the morning of the wedding and must start breakdown immediately after the wedding ends. This task becomes very heavy on the day of, as the bride & groom are usually focused on getting ready. A wedding planner will take care of all of your planning, decorating, vendor sourcing, & more.

ALMOST ALL OF INLET COUPLES USE A WEDDING PLANNER TO ALLEVIATE STRESS AND TRUST US, IT MAKES THE WHOLE DAY RUN SMOOTHLY!
